How scoring works in 6 nimmt! (Take 5)

- At the end of each round, every player counts the bullheads on the cards they collected.
- Most cards show 1 bullhead. Cards ending in 5 show 2, multiples of 10 show 3, multiples of 11 show 5 and the 55 shows 7.
- The game ends after the round in which a player reaches 66 bullheads or more. The lowest total wins.
